23.1 Prior to evaluation of Tender volume, the Employer will determine whether the bid is accompanied by the required Bid Security.

23.2 If the Bid Security furnished does not conform to the amount and validity period as specified in the Invitation for Bid and has not been furnished in the form, the bid shall be rejected by the Employer as non-responsive and the Tender volume will be returned to the bidder.

23.3 Subject to confirmation of the Bid Security by the issuing bank, the Tender volume accompanied with valid Bid Security will be taken up for further evaluation. In case, the Bank does not confirm the Bid Security, the bid shall be rejected as non-responsive and no further evaluation carried out.

23.4 The tender volume will further be examined to determine whether the bid has been properly signed, meets the eligibility and qualification criteria, has the required available bid capacity, is accompanied by the requisite certificates, undertaking and other relevant information specified in the bid documents and is substantially responsive to the requirement of the bidding documents and provides any clarification for ascertaining the correctness of the information/details that the Employer may require pursuant to Clause 30.

23.5 If the Tender volume is not substantially responsive, it will be rejected by the Employer and will not subsequently be made responsive by correction or modification or withdrawal of the non-conforming deviation or reservation.

## **24. Opening of Tender**

- 24.1 The Tender volume shall be opened for evaluation and award.
- 24.2 Tender volume of the bidders whose bid capacity has already been exhausted on award of package(s) prior to the package under consideration shall not be opened and returned unopened to the bidder.
- 24.3 The Employer will open the Tender volume of those bidders whose document has been determined to be substantially responsive in accordance with Clause 26, and who have the required available bid capacity, in presence of the bidders or their representatives who choose to attend on the date intimated to such bidders. In the event of specified date of Tender volume opening being declared a holiday for Employer, the 'Tender volume' shall be opened at the appointed time and location on the next working day.
- 24.4 Tender volume of the bidders whose bid capacity has already been exhausted on account of award of packages prior to this proposal will not be opened for further evaluation and will be returned to the bidders.
- 24.5 The names of the bidders whose Tender volume is found to be substantially responsive, the bid prices, the total amount of each bid, any discount, 'modifications of B.O.Q and such other details, as the Employer may consider appropriate will be announced by the Employer at the opening of the Tender volume. Any bid price, which is not read out and recorded at the bid opening, will not be taken into account in Bid Evaluation.
- 24.6 The bidders or their representatives who are present shall sign attendance sheet evidencing their attendance.
- 24.7 The Employer shall prepare besides the record of bid opening, minutes of the Tender volume opening including the information disclosed to those in accordance with Sub-Clause 27.4.

## **25. Examination of Bids and Determination of Responsiveness of Bid**

- 25.1 The Employer will determine responsiveness of each Tender volume with respect to filled percentage above or below of total amount of Priced Bill of Quantities, Technical Specifications, Drawings and other relevant requirement of bidding documents.
- 25.2 A substantially responsive Tender volume is one which conforms to all the terms, conditions and specifications of the bidding documents, without material deviation or reservation. A material deviation or reservation is one (i) which affects in any substantial way the scope, quality or performance of the Works; (ii) which limits in any substantial way, inconsistent with the bidding documents, the Employer's rights or the bidder's obligations under the Contract; or (iii) whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive Tender volume.
- 25.3 If the Tender volume is not substantially responsive, it will be rejected by the Employer and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

## **26. Correction of Errors**

- 26.1 Tender volume determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Arithmetic errors will be rectified on the following basis:-

- i) Where there is a discrepancy between the figures and words, for % and amount, the figure in words will govern and
  - ii) Where there is discrepancy in total amount arrived by addition of percentage (above or below), the amount arrived by addition percentage (above or below) as written in word shall govern.
- 26.2 The amount stated in the Form of Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, his bid will be rejected, and his Bid Security may be forfeited in accordance with Clause 15.
- 27. Evaluation and Comparison of Tender volume**
- 27.1 The Employer will evaluate and compare only those Tender volumes which are determined to be substantially responsive in accordance with Clause 28 and qualified for award of Contract in accordance with Clause 5.
- 27.2 In evaluating the Tender volume, the Employer will determine for each Tender volume the evaluated Bid Price by adjusting the Bid Price as follows:-
- a) Making any correction for errors pursuant to Clause 29;
  - b) Making appropriate adjustments to reflect any price modifications offered in accordance with Clause 24.
- 27.3 The estimated effect of the price adjustment provision under method of price adjustment mentioned in Appendix to Bid Form of Section V applied during the period of implementation of the Contract, shall not be taken into account in Bid evaluation
- 27.4 If the Bid of the successful Bidder is seriously unbalanced in relation to the Employer's estimate of the cost of the items of the Works to be performed under the Contract, the Employer may require the bidder to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analysis, the Employer may require that the amount of the performance security set forth in Clause 37 be increased up to an additional 5 (five) per cent at the expense of the successful bidder to protect the Employer against financial loss in the event of default of the successful bidder under the Contract.
- 27.5 A bid, which is unrealistically lower than estimate and which the bidder, could not substantiate satisfactorily, may be rejected as non-responsive.

## **28 Clarification of Bids**

- 28.1 To assist in the examination, evaluation and comparison of bids, the Employer may, at his discretion, ask any bidder for authentication the correctness of the information/details furnished by him in his bid. Such request by the Employer and the response by bidder shall be in writing or by cable/fax, but no change in the price or substance of the bid shall be sought, offered or permitted except as required to confirm the correction of arithmetical errors discovered by the Employer in the evaluation of the bids in accordance with Clause 29.
- 28.2 Subject to Sub Clause 31.1, no bidders shall contact the Employer on any matter relating to his bid from the time of bid opening to the time contract is awarded.
- 28.3 Any effort by the bidder to influence the Employer in the Employer's bid evaluation, bid comparison or contract award decisions may result in the rejection of his bid.

## **29. Process to be Confidential**

- 29.1 Information relating to the examination, clarification, evaluation and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder

has been announced. Any effort by a bidder to influence the Employer's processing of bids or award decisions may result in the rejection of his bid.

## **F. Award of Contract**

### **30. Employer's Right to accept any Bid and Reject any or all Bids**

30.1 Notwithstanding Clause 33, the Employer reserves the right to accept or reject any bid and to annul the bidding process and reject all bids, at any time prior to award of Contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Employer's action.

### **31. Notification of Award**

31.1 Prior to expiration of the period of bid validity prescribed by the Employer, the Employer will notify the successful bidder by cable/fax and confirmed by registered letter that his bid has been accepted. This letter (hereinafter and in the Conditions of Contract called "the Letter of Acceptance") shall name the sum which the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Conditions of Contract termed "the Contract Price").

31.2 The notification of award will constitute the formation of the Contract.

### **32. Signing of Agreement**

32.1 At the same time that the Employer notifies the successful bidder that his bid has been accepted, the Employer will direct him to submit the Performance Security and attend the Employer's office on a date determined by the Employer for signing the Form of Agreement.

32.2 Within 28 (twenty eight) days of the date of signing the Form of Agreement, the successful bidder shall, if required, have the same engrossed, have the correct amount of stamp duty adjudicated by the Inspector General of Registrations, New Delhi and return the same duly signed and executed on behalf of the successful bidder to the Employer.

### **33.0 Corrupt or Fraudulent Practices**

33.1 The Employer will reject a proposal for award if he determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question. The Employer will declare the firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract by AHMEDABAD MUNICIPAL CORPORATION if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for the contract, or during execution.

i) "corrupt practice" means behavior on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves and/or those close to them, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; and

ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition.
