Invitation for Public Consultation on 'Ahmedabad City Data Policy (Data Management, Data Sharing and Data Privacy) 2024

Ahmedabad Municipal Corporation (AMC) cordially invites citizens, policy experts, and stakeholders to participate in a public consultation regarding our recently drafted document on City Data Policy for Ahmedabad. AMC has developed a comprehensive draft for city data policy aimed at ensuring the responsible collection, storage, management and use of data, while safeguarding the privacy of individuals. This consultation seeks your valuable feedback to refine and enhance the draft, ensuring it meets the highest standards and addresses the community's needs and concerns. Community groups, non-profits, and business owners can offer diverse viewpoints on how the policy will impact various sectors. Professionals in data management, cybersecurity, legal experts, and privacy advocates can provide technical and specialized feedback to ensure the policy is comprehensive and effective. Citizen's everyday interactions with urban services provide essential insights. Your perspective is crucial in understanding the practical implications of the policy.

You can refer to the draft policy document on link: [Ahmedabad City DataPolicy Draft-2024](#) and to share your feedback, you can reach out to us via email: egov.ahmedabad@gmail.com

Your participation is vital in shaping a policy that is both effective and reflective of our community's values and needs. We look forward to your contributions.

Note: Suggestion are invited until 30 September 2024.

Municipal Commissioner
