(B) Role & Functions: -

Ahmedabad Municipal Corporation has initiated several measures to increase the green cover in order to make the city green and beautiful. It has also taken special measures to improve environment through greening the city by roadside plantation, improving the parks and gardens and development of urban forestry in various municipal plots in the city. AMC has also taken up massive plantation drive in open plots through its own Parks and Garden Department. In order to make the city more beautiful and livable Ahmedabad Municipal Corporation has been making a very concerted efforts for protection of environment and greening the city by way of parks and gardens and tree plantation in which corporate houses are also made to participate. Environment education is imparted by arranging various trees plantation programs in which children are encouraged to participate. In order to spread awareness among general masses, door-to-door distribution of plants is carried out during the Monsoon. The following actions have been taken to increase the green cover.

- Development of New Gardens & Recreational Centres
- Upgradation & Maintenance of existing gardens
- Beautification of central verge & traffic circles by departmentally as well as by pvt. companies/ organisations through Public Private Partnership scheme
